Foreword

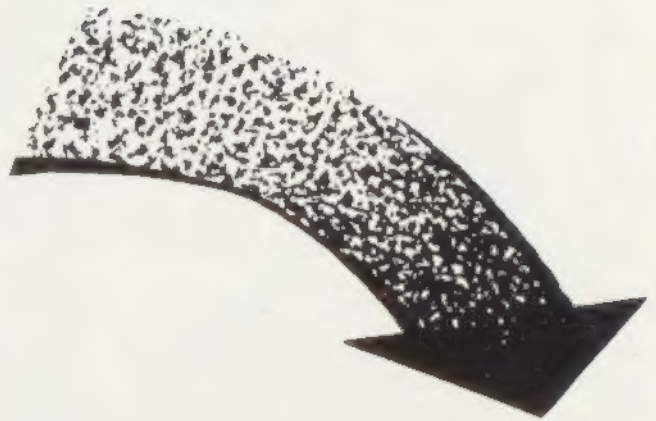

The 1963 edition of "The Tiger" represents another chapter of Seneca Public High School history at a close. The seniors of 1963 sincerely hope that as you read this annual, many heartwarming and cherished memories will be yours.

As you read the yearbook, your thoughts will differ, part of them being sober and others humorous. We hope the annual will be of great sentimental value to you, and that it will be one of your most cherished possessions to aid you in recalling past school days.
